# RACIAL EQUITY *Consulting*

**Racial Equity Consulting for Organizations.** Our racial equity programs are unique in that they feature a bottom-up approach, aiming to develop sustainable employee coping strategies which minimize high turn-over, low employee morale, legal exposure, and toxic workplaces. Our programs complement efforts to initiate equity and eliminate bias, discrimination and prejudice amongst workforces.

## Work Group Consulting Programs

Support Groups | Speaking | Wellness & Mental Health Workshops | Customized Programs

### Our Approach: Racial Equity Framework for Healing

*For more information about our Mission & Methods visit our website.*

# About Danielle

**Danielle Henry, M.A., Marriage & Family Therapy**, is the founder of Dream Life Out Loud, PLLC. As a former 6-year global marketing executive at Microsoft Danielle is uniquely positioned to support organizations in developing programs that address systemic racism and negative racial experiences facing Black employees.

## TESTIMONIALS

*"In sharing your story, you didn't shy away from being vulnerable and acknowledging the defeat/depression you felt. I think this courage to share your truth helped you connect with the audience in ways that others may not have achieved. If you want authenticity, professionalism and inspiration to take action, work with Danielle Henry."* –Kisa Nishimoto, The Riveter

*"Danielle has a wonderful balance of centering energy and "move things forward" energy. Both are so necessary for navigating change in life – if you want your audience to understand the importance of that balancing act, Danielle is your person."* –Lara Dalch, Women on the Rise Podcast
